Dear Mr. Molnar,

Please accept the following as an official offer to purchase.

Leather strap Piaget watch 8673 460166 offer: \$600.00

18 karat yellow gold Piaget watch 7131C516 368048 offer: \$1500.00

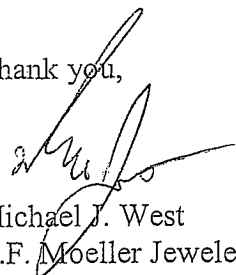

Platinum and 18 karat yellow gold ring bezel set with one 4.01 carat round brilliant cut diamond (GIA J VS2) offer: \$30,000.00

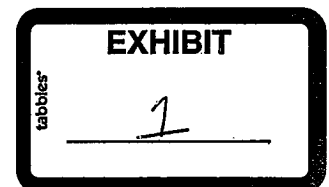

Total offer: \$32,100.00

Please note that the offer for the large diamond ring is contingent upon R.F. Moeller Jeweler removing the diamond from the mounting to ensure that the bezel is not hiding damage on the edge of the gem. A check for the agreed upon amount would be available for you seven to ten days after the agreement.

In addition, at the time of purchase, would we have access to the judge's ruling or some other document which shows authorization to sell the item?

Thank you,

Michael J. West
