Jim,

As per are telephone conversation over the past month I have been able to put an offer together as it relates to the following cars 2002 Ferrari 360 Spyder VIN # ZFFYT53AX201270077 for \$100,000, 2007 Bentley Continental GTC VIN # SCBDR33W77CO50625 for \$125,000 and a 2007 Bentley Azure VIN # SCBDC47LO7CX12553 for \$175,000 For a total amount for all three cars listed above is \$400,000. I have included a deposit check #50176 in the amount of \$15,000. With the balance to be wired upon approval with in 14 days of your excepting said offer.

I have contacted several dealerships around the country to get buy bids for the cars and with the current economic times they are not buying cars at this time the are only accepting cars as they come in on trade. With that said Barb Bowman of Minneapolis Bentley & Maserati offered a total of \$360,000 if they were buying cars and Bill Noon of Symbolic Motor Cars of California offered the same amount \$360,000 but they too are not buying cars at this time. I have also included some comparable cars that are currently listed on eBay that are being offered for similar amounts to my offer {see attached}. My offer is cash with no contingences and the funds are available now. We will take the cars as is and be responsible for transportation or pick-up at there present locations. Thank you in advance for your consideration and I am available to meet in person or via phone to discuss any and all details.

Thank you,

Don Bodin

Jim:

I have an offer on the table for \$170,000.

The customer wants an extended warranty and we need our margin.

Should I take a deposit?
