RE: United States v. Larry Reynolds, et al.  
Court File: 08-CV-5348 (ADM/JSM)

Dear Judge Montgomery:

I note that the receiver's pending motion and recommendation for payment of attorneys fees does not include the attorneys fees incurred by Mr. Reynolds for his California counsel, Stephanie Ames and Joseph Ryan. My previous motion before Your Honor for payment of the Defendant's additional living expenses and arrearages also included a request for payment of these attorneys fees. Your Honor advised, during the hearing on February 18<sup>th</sup>, that the issue of attorneys fees for Ms. Ames and Mr. Ryan would be considered at the same time as the receiver's motion for payment of all other attorneys fees. Hence, we did not file a reply, strictly speaking, to the receiver's motion for payment of attorneys fees in the interests of economizing paperwork.

Respectfully submitted,
