1 MOTION FOR LEAVE OF ORDER TO U.S. MARSHALS

2 TO FILE SUMMONS UPON DEFENDANTS

3
4
5 Plaintiff, Steven Haas (also known more commonly as
6
7 "Laser" Haas) does state - Under Penalty of Perjury - that the
8 issues alleged herein - are True & Correct!

9
10 WHEREAS this plaintiff alleges that the parties
11 named below as Defendants have engaged in Racketeering.

12 WHEREAS litigant also alleges and can provide proof
13 that mayhem and homicides - along with federal acts of
14 corruption are transpiring.

15
16 WHEREAS, in the past, plaintiff received email from
17 his own counsel warning him to "*back off*" from his pursuit
18 of justice.

19
20
21 However, when the many crimes, attempts at bribery
22 and efforts of extortion/intimidation were reported to
23 various federal agents and agencies - nothing happened!

24
25 Except for the fact that rogue elements within the
26 federal system of justice choose to assist President
27 wannabe Mitt Romney and his gang, by being duplicitous.
28

1 Department of Justice Deputy Director over the
2 Executive Office of United States Trustee's - Lawrence
3 Friedman - did email this plaintiff, in 2005, direct
4 personal promises of addressing the crimes.
5

6
7 Upon plaintiff informing Director Friedman about
8 additional \$100 million in fraud and duplicity by his
9 subordinate Mark Kenney, Lawrence Friedman Resigned.
10
11 (See U.S. Trustee website Press Release April 2005).

12 Subsequently, litigant became informed, in 2007,
13 about Roberta DeAngelis (secretly) being promoted to
14 the post of "Acting" General Counsel of the United
15 States Trustee's in Washington, D.C. - AFTER - Roberta
16 DeAngelis had been replaced as Region 3 U.S. Trustee by
17 Deputy Director Lawrence Friedman.
18
19

20 Germane of this issues is the fact that the SEC,
21 FBI, Congressmen, Senator and everyone else plaintiff
22 reached out to about the manifest injustice; did inform
23 this litigant to provide the information to the General
24 Counsel of the U.S. Trustee's and the local United
25 States Attorney (Colm Connolly).
26
27
28

1 Whereas, being that Roberta DeAngelis purportedly
2 was removed for her incompetence over the eToys case;
3 and the compounding fact that plaintiff also became
4 informed that Colm Connolly was actually a partner of
5 the Morris Nichols Arsht & Tunnel ("MNAT") law firm
6 that he was being asked to investigate. Hence, mockery
7 of justice and feign of fiduciary duty was everywhere.
8
9

10
11 Additionally, plaintiff did file a Complaint on
12 December 7, 2007, with the Los Angeles U.S. Attorney's
13 office - where the Public Corruption Task Force was.
14

15 Litigant's 18 U.S.C. § 3057(a) "official" form was
16 provided by a good faith federal justice's clerk who is
17 not of this particular court.
18

19 Plaintiff was instructed to get each and every page
20 time/clocked stamped.
21

22 Attached is a copy of that submittal as plaintiff's
23 "Attachment A".
24

25 When the Department of Justice's response was due
26 approximately 12 weeks later, this pursuer of justice
27 did call and demand a response.
28

1 No response was ever received!

2
3 However, as is reported by the Los Angeles Times in
4 its March 2008 article "Shake-up roils federal prosecutors". That
5 particular Public Corruption Task Force Unit was SHUT-
6 DOWN and career federal agents were purportedly
7 "actually" Threatened to keep silent!
8

9
10 This is both inexplicable and intolerable.

11 Additionally, plaintiff's daughter was abducted -
12 AFTER - receiving an email threat from Henry Heiman
13 (who was plaintiff's own counsel) warning litigant that
14 Paul Traub's partner Susan Balaschak said "back off";
15 or not only would plaintiff's career be destroyed, his
16 business would not be paid and worse would occur.
17

18
19 Furthermore, Marty Lackner and his associate did
20 reach out to plaintiff about Marty's connection to the
21 Tom Petters Ponzi scheme; and the fact that Marty was
22 the brother of Minnesota Assistant United States
23 Attorney (former head of Criminal Prosecution) James
24 Lackner. To date the Minnesota Department of Justice
25 has made great efforts in concealing this embarrass.
26
27
28

1 Add to all this serious, mitigating facts, the
2 issues that John "Jack" Wheeler was found dead in a
3 dump after visiting the Nemours Building. Whereas a
4 Racketeering Defendant Colm Connolly was a partner in
5 the Racketeering while also being a federal prosecutor.
6
7

8 Colm Connolly's office and the United States
9 Attorney's office is housed in the Nemours Building.
10

11 If plaintiff told the saga of Capone having been
12 investigated by John "Jack" Wheeler; and then Wheeler
13 wound up dead in the dump - who would be suspect?
14

15 Robert Alber was an eToys shareholder who joined
16 this plaintiff's quests for justice in 2004.
17

18 Johann Hamerski colluded with the Morris Nichols
19 Arsht & Tunnell law firm to destroy eToys shareholder
20 Robert Alber.
21

22 John "Jack" Wheeler was a West Point man, who
23 worked for 3 President Administrations, helped with the
24 Vietnam Memorial and part of Mothers Against Drunk
25 Driving. While also having his own charity in Vietnam
26 to help feed/take care of children.
27
28

1 Why this litigant was interest in John "Jack"
2
3 Wheeler assisting in this matter, is the fact that he
4 was also a part of the SEC's prosecution unit.

5 Johann Hamerski bragged that he was partners with
6
7 Jack Abramoff - well before Abramoff's conviction.

8 Robert Alber was offered a bribe by Hamerski and
9
10 turned it down.

11 Reportedly, Johann then told Alber "people like you
12
13 who turn down bribes - Wakes Up Dead"!

14 Upon Abramoff's early release, Johann Hamerski
15
16 continued his campaign to destroy Robert Alber.

17 Then, Gary Ramsey, a lifetime friend and co-owner
18
19 of a house with Robert Alber in Kingman, AZ; simply
20
21 walked away from a perfect credit rating and vanished
22 into thin air.

23 Career criminal Michael Sesseyoff did then assail
24
25 Robert Alber and was shot and killed in 2010. As a
26
27 result of the assaults - Alber is bed ridden.

28 John "Jack" Wheeler was hit in the head and thrown
in the dump on New Year's Eve in 2010.

1 Due to these serious issues of mayhem, harm and
2 potential life threatening scenarios plausible, litigant
3 requests that the court order that the U.S. Marshal
4 serve the Summons upon the Racketeering Defendants.
5

6 WHEREAS, in the alternative, (and to reduce costs
7 to plaintiff who is homeless, bereft of funds and does
8 not have money); could the court order that the all the
9 Defendants by served by email.
10

11 Please NOTE, plaintiff will beg and borrow, if
12 needs be, to fund the estimated \$750.00 cost to regular
13 serve the Defendants.
14

15 But there is nothing - regular - about this RICO.
16

17 That being said, litigant has already bantered with
18 all named Defendants via email; and (in the interest of
19 expediency) there are no good faith reasons that the
20 Defendants could demand to be hand served.
21

22 May it please the court that this litigant comes
23 now as a "Private Attorney General" seeking the court's
24 assistance (and guidance) in how to address and arrest
25 Racketeering Felons, via the Civil RICO action; due to
26
27
28

1 the existence of many, clearly visible "Prosecutorial Gaps".
2
3 (Civil Rights as such affirmed US Sup *In re Sedima*).

4 Instead of putting a halt to the massive felony
5 acts; the Delaware Department of Justice chose to be a
6 part of the Racketeering and betray their oath of
7 office (due to Defendant Colm Connolly's corruption).
8

9
10 All this is true and makes this case is *extraordinary*!

11 Hence, the *manifest injustice* heretofore does drive
12 away intelligent attorneys at law who realize that the
13 Code & Rule of Law is NOT being applied. Thus, this
14 plaintiff first need, to accomplish justice, is to find
15 a way to compel the application of the Rule of Law!
16
17

18 Plaintiff Steven Haas also known as "Laser" hereby
19 charges that Willard Mitt Romney ("Romney"), Michael
20 Glazer, Paul Traub, Barry Gold, Morris Nichols Arsht &
21 Tunnell ("MNAT") and MNAT's partner Greg Werkheiser,
22 and former MNAT partner Colm Connolly (*who also was the*
23 *Delaware United States Attorney from August 2, 2001*
24 *until the time of "Connolly" resignation in 2008*), and
25 also Johann Hamerski (*a self-professed partner of Jack*
26
27
28

1 Abramoff), along with Goldman Sachs and Bain Capital;
2 are named as Racketeering "Defendants" herein.
3

4 Whereas plaintiff contends and is able to provide
5 proof at trial that Defendants are "culpable" persons
6 who engage in manifold schemes "corrupting" legitimate
7 businesses via "*predicate act*" State & Federal Felony Law
8 violations for Defendants sake of *unjust enrichment*.
9
10

11 Defendants are violating the United States Code
12 Title 18 § 1961 thru 1968 also known as ("a/k/a") Racketeer
13 Influence & Corrupt Organizations ("RICO") Act of 1970.
14

15 Whereas, plaintiff alleges and is able to provide
16 clear and convincing proof that Defendants are robbing
17 interstate commerce and increasing the scope & breath
18 of their organized crimes through many violations
19 of their organized crimes through many violations
20 felonious, also known as 18 U.S.C. § 1961 - "*predicate acts*".
21

22 Proficient and continuous are *enterprising* schemes
23 thru "*patterns*" of "*racketeering*", for many years.
24

25 Defendants ARE powerful people and have openly
26 assaulted the Constitution of the United States without
27 and remorse or relent due to federal venality.
28

1 Plaintiff pray this court provide assistant in the
2 manner of ordering are to be served by the United
3 States Marshals and/or that the named Defendants must
4 accept electronic service to protect all innocent
5 parties from further harm; and to put a halt to the
6 manifest injustice.
7
8

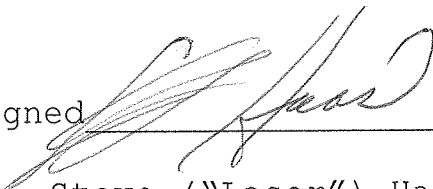

9 **PLAINTIFF DEMANDS A JURY TRIAL!**

10
11 Litigant prays the court see the extraordinary
12 issues at play hereof and begs the courts indulgence?
